Affordability of Health Coverage

The Superintendent or designee shall seek written assurance from the district's health insurance carrier(s) that the health plan offered to full-time district employees and their dependents meets all requirements of the federal Patient Protection and Affordable Care Act. (42 USC 300gg-300gg95; 26 USC 4980H; 26 CFR 54.4980H-1-54.4980H-6)

The Superintendent or designee also shall ensure that each employee's contribution to the employee-only health coverage does not exceed 9.5 percent of his/her modified household income, as defined in 26 USC 5000A. The Superintendent or designee shall calculate the affordability of the coverage using one or more of the following methods in a uniform and consistent basis for all employees within the same category: (26 USC 4980H; 26 CFR 54.4980H-4-54.4980H-5)

1. The district shall ensure that the lowest cost employee-only coverage does not exceed 9.5 percent of wages paid to the employee by the district for the calendar year as reported on the employee's W-2 tax form. For an employee not offered coverage for an entire calendar year, the wages shall be adjusted to reflect the period for which coverage was offered.
 2. The district shall ensure that the employee's required monthly contribution for the lowest cost employee-only coverage does not exceed 9.5 percent of an amount equal to 130 hours multiplied by the employee's hourly rate of pay on the first day of the plan year or his/her lowest hourly pay during the calendar month, whichever is lower.
 3. The district shall ensure that the employee's contribution does not exceed 9.5 percent of a monthly amount determined as the federal poverty line for a single individual for the applicable calendar year, divided by 12.

Retired Certificated Employees

Any former certificated employee who retired from the district under any public retirement system and his/her spouse/domestic partner shall be permitted to enroll in the health and welfare and/or dental care benefit plan currently provided for certificated employees. The Superintendent or designee shall provide written notification to the health care service plan administrator of a qualifying event listed in item #2 above, within 30 days of the event.

A covered employee or qualified beneficiary shall provide written notification to the health care service plan administrator regarding any other qualifying event listed above within 60 days of the event or of the date that the covered employee or qualified beneficiary was notified of the ability to continue coverage, whichever is later. (Health and Safety Code 1366.24, 1366.25; Insurance Code 10128.54, 10128.55)

The Superintendent or designee shall notify covered employees and qualified beneficiaries of the availability of conversion and continuation coverage. This notification shall include the statement in Labor Code 2800.2 encouraging individuals to examine their options carefully before declining such coverage. (Labor Code 2800.2)
