

Exhibit 5125.1-E(1): Release Of Directory Information**Status:** ADOPTED**Original Adopted Date:** 07/01/2005 | **Last Revised Date:** 01/01/2026 | **Last Reviewed Date:** 01/01/2026**PARENT/GUARDIAN NOTICE
RELEASE OF DIRECTORY INFORMATION**

The Family Educational Rights and Privacy Act (FERPA), a federal law, requires that **Caliente Union School District** with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, the district may disclose appropriately designated "directory information" without written consent, unless you have advised the district to the contrary in accordance with district procedures. The primary purpose of directory information is to allow the district to include information from your child's education records in certain school and/or district publications. Examples include:

- a playbill, showing your child's role in a drama production
- the annual yearbook
- honor roll or other recognition lists
- graduation programs
- sports activity sheets, such as for wrestling, showing weight and height of team members

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent/guardian's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. Additionally, two federal laws require districts receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA), as amended, to provide military recruiters, upon request, with students' names, addresses, and telephone listings, unless parents/guardians have advised the district that they do not want their child's information disclosed without their prior written consent.

If you do not want the district to disclose any or all of the information designated below as directory information from your child's education records without your prior written consent, you must notify the district in writing by **Sept. 1 of each school year**. Notifying the district by this date is the only way to prevent the release of directory information. The district has designated the following information as directory information:

1. Student's name
2. Address
3. Telephone number

4. Email address
5. Date of birth
6. Major field of study
7. Participation in officially recognized activities and sports
8. Weight and height of athletic team members
9. Dates of attendance
10. Degrees and awards received
11. Most recent previous school attended

Additionally, the district may disclose your child's student identification number, user identification, or other unique personal identifier used to communicate in electronic systems, but only if the identifier cannot be used to gain access to education records except when used in conjunction with one or more factors that authenticate the user's identity, such as a personal identification number (PIN), password, or other factor known or possessed only by the authorized user.

In addition, the district may disclose a student identification number or other unique personal identifier that is displayed on a student identification badge, but only if the identifier cannot be used to gain access to education records except when used in conjunction with one or more factors that authenticate the user's identity, such as a PIN, password, or other factor known or possessed only by the authorized user.

The district may not disclose a student's Social Security number. Directory information does not include your child's citizenship status, immigration status, place of birth, or any other information indicating national origin.
