Measures to Prevent Discrimination

To prevent unlawful discrimination, including discriminatory harassment, intimidation, retaliation, and bullying, of students at district schools or in school activities and to ensure equal access of all students to the educational program, the Superintendent or designee shall implement the following measures:

1. Publicize the district's nondiscrimination policy and related complaint procedures, including the Compliance Officer's contact information, to students, parents/guardians, employees, volunteers, and the general public by posting them in prominent locations and providing easy access to them through district-supported communications
2. Post the district's policies and procedures prohibiting discrimination, harassment, student sex-based harassment, intimidation, bullying, and cyberbullying, including a section on social media bullying that includes all of the references described in Education Code 234.6 as possible forums for social media, in a prominent location on the district's website in a manner that is easily accessible to parents/guardians and students (Education Code 234.1, 234.6)
3. Post the definition of sex discrimination and harassment as described in Education Code 230, including the rights set forth in Education Code 221.8, in a prominent location on the district's website in a manner that is easily accessible to parents/guardians and students (Education Code 234.6)

4. Post in a prominent location on the district website in a manner that is easily accessible to parents/guardians and students information regarding Title IX prohibitions against discrimination based on a student's sex; sex characteristics; sexual orientation; gender; gender identity; pregnancy, childbirth, termination of pregnancy or lactation, including related medical conditions or recovery; and parental, marital, and family status, including the following: (Education Code 221.6, 221.61, 234.6)
 - a. The name and contact information of the district's Title IX Coordinator, including the phone number and email address
 - b. The rights of students and the public and the responsibilities of the district under Title IX, including a list of rights as specified in Education Code 221.8 and web links to information about those rights and responsibilities located on the websites of the Office for Equal Opportunity and the U.S. Department of Education's Office for Civil Rights (OCR)
 - c. A description of how to file a complaint of noncompliance under Title IX, which shall include:
 - i. An explanation of the statute of limitations within which a complaint must be filed after an alleged incident of discrimination has occurred and how a complaint may be filed beyond the statute of limitations
 - ii. An explanation of how the complaint will be investigated and how the complainant may further pursue the complaint, including web links to this information on OCR's website
 - iii. A web link to the OCR complaints form and the contact information for the office, including the phone number and email address for the office
 - d. A link to the Title IX information included on the California Department of Education's (CDE) website
5. By April 1, 2025, post CDE's standardized incident form to track racial discrimination, harassment, or hazing that occurs at high school sporting games or events, including information on how to submit a completed incident form to the district (Education Code 33353)
6. Post in a prominent location on the district's website and include in each handbook, catalog, announcement, bulletin, and application form for students, parents/guardians or other authorized legal representative, and employees, the Title IX notice of nondiscrimination which includes the following: (34 CFR 106.8)

- d. How to locate the district's nondiscrimination policy and the district's grievance procedures for Title IX complaints
- e. How to report conduct that may constitute sex discrimination under Title IX
- f. How to make a complaint of Title IX sex discrimination

If necessary due to the format or size of any publication specified above, the district may include only the statement that the district prohibits sex discrimination in any education program or activity that it operates, that individuals may report concerns or questions to the Title IX Coordinator, and the location of the complete notice on the district's website.

The district shall not distribute a publication stating that the district treats students, employees or applicants differently on the basis of sex, unless such treatment is permitted by Title IX.

- 7. Post a link to statewide CDE-compiled resources, including community-based organizations, that provide support to youth who have been subjected to school-based discrimination, harassment, intimidation, or bullying and to their families (Education Code 234.5)

Such resources shall be posted in a prominent location on the district's website in a manner that is easily accessible to parents/guardians and students. (Education Code 234.6)

- 8. Provide to students a handbook that contains age-appropriate information that clearly describes the district's nondiscrimination policy, procedures for filing a complaint, and resources available to students who feel that they have been the victim of any such behavior
- 9. Annually notify all students and parents/guardians of the district's nondiscrimination policy, including its responsibility to provide a safe, nondiscriminatory school environment for all students

The notice shall inform students and parents/guardians that they may request to meet with the Compliance Officer to determine how best to accommodate or resolve concerns that may arise from the district's implementation of its nondiscrimination policies. The notice shall also inform all students and parents/guardians that, to the extent possible, the district will address any individual student's interests and concerns in private.

- 10. Ensure that students and parents/guardians, including those with limited English proficiency, are notified of how to access the relevant information provided in the district's nondiscrimination policy and related complaint procedures, notices, and forms in a language they can understand

If 15 percent or more of students enrolled in a particular district school speak a single primary language other than English, the district's policy, regulation, forms, and notices concerning nondiscrimination shall be translated into that language in accordance with Education Code 234.1 and 48985. In all other instances, the district shall ensure meaningful access to all relevant information for parents/guardians with limited English proficiency.

- 11. Provide to students, employees, volunteers, and parents/guardians age-appropriate training and/or information regarding the district's nondiscrimination policy; what constitutes

prohibited discrimination, including discriminatory harassment, intimidation, retaliation, or bullying; how and to whom a report of an incident should be made; and how to guard against segregating or stereotyping students when providing instruction, guidance, supervision, or other services to them

Such training and information shall include details of guidelines the district may use to provide a discrimination-free environment for all district students.

12. Provide to certificated employees serving students in grades 7-12 information on existing school and community resources related to the support of lesbian, gay, bisexual, transgender, queer, and questioning (LGBTQ+) students, or related to the support of students who may face bias or bullying on the basis of any of the actual or perceived characteristics in Penal Code 422.55, including immigration status; Education Code 220; and disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation; or association with a person or group with one or more of these actual or perceived characteristics (Education Code 234.1)
13. For the 2025-2026 school year through the 2029-2030 school year, provide annually to certificated employees serving students in grades 7-12 at least one hour of training to support LGBTQ+ cultural competency in accordance with Education Code 218.3
14. At the beginning of each school year, inform school employees that any employee who witnesses any act of unlawful discrimination, including discriminatory harassment, intimidation, or bullying, against a student is required to intervene if it is safe to do so (Education Code 234.1)
15. At the beginning of each school year, inform each principal or designee of the district's responsibility to provide appropriate assistance or resources to protect students from threatened or potentially discriminatory behavior and ensure their privacy rights

Process for Initiating and Responding to Complaints

Students who feel that they have been subjected to unlawful discrimination described above or in district policy are strongly encouraged to immediately contact the Compliance Officer, Title IX Coordinator, principal, or any other staff member. In addition, students who observe any such incident are strongly encouraged to report the incident to the Compliance Officer, Title IX Coordinator, or principal, regardless of whether the alleged victim files a complaint.

Any school employee who observes an incident of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, or to whom such an incident is reported shall report the incident to the Compliance Officer, Title IX Coordinator, or principal within one workday, regardless of whether the alleged victim files a complaint.

Any school employee who witnesses an incident of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, shall immediately intervene to stop the incident when it is safe to do so. (Education Code 234.1)

When a report of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, is made to or received by the principal, Compliance Officer, or Title IX Coordinator, the principal, Compliance officer, or Title IX Coordinator shall notify the student or

parent/guardian of the right to file a formal complaint in accordance with Administrative Regulation 1312.3 - Uniform Complaint Procedures or, for complaints of sex discrimination, including sex-based harassment, the right to initiate the Title IX grievance procedures as specified in Administrative Regulation 5145.71 - Title IX Sex Discrimination and Sex-Based Harassment Complaint Procedures. Once notified verbally or in writing, the Compliance Officer or Title IX Coordinator shall begin the investigation and shall implement immediate measures necessary to stop the discrimination and ensure that all students have access to the educational program and a safe school environment. Any interim measures adopted to address unlawful discrimination shall, to the extent possible, not disadvantage the complainant or a student who is the victim of the alleged unlawful discrimination.

Any report or complaint alleging unlawful discrimination by the principal, Compliance Officer, Title IX Coordinator, or any other person to whom a report would ordinarily be made or complaint filed shall instead be made to or filed with the Superintendent or designee who shall determine how the complaint will be investigated.
