

Policy 6162.8: Research**Status:** ADOPTED

Original Adopted Date: 03/01/1992 | **Last Revised Date:** 11/01/2002 | **Last Reviewed Date:** 11/01/2002

The Governing Board recognizes the value of academic research to improve educational programs and practices. Researchers shall respect the privacy rights of students, including their right to refrain from participation in research projects in accordance with law, Board policy and administrative regulation.

The Superintendent or designee may authorize research projects within the district by outside groups or persons when such research is aligned with district goals and objectives and is likely to benefit the district without disrupting the school program.

The Superintendent or designee shall ensure that parents/guardians receive prior notification of any surveys or evaluations that collect personal student information and that consent is obtained in accordance with law.
