

Bylaw 9130: Board Committees**Status: ADOPTED**

Original Adopted Date: 10/01/1997 | **Last Revised Date:** 04/01/2013 | **Last Reviewed Date:** 04/01/2013

The Governing Board may establish a committee whenever it determines that such a committee would benefit the district by providing diverse viewpoints, specialized knowledge or expertise, or increased efficiency. Such committees may be subcommittees of the Board or committees that include members of the community, staff, or other stakeholder groups.

Upon establishing a committee, the Board shall clearly define the committee's purpose, any timeline for completion of assigned responsibilities, any stakeholder groups or individuals to be represented on the committee, length of time that committee members are expected to serve, and expectations for reporting to the Board and/or the Superintendent or designee. Unless specifically authorized by the Board to act on its behalf, the committee shall act in an advisory capacity.

Except for subcommittees of the Board, committee members shall, as appropriate, be recommended by the Superintendent or designee and appointed by the Board president, subject to Board approval.

The Superintendent or designee shall provide committee members with information and assistance necessary for the fulfillment of the committee's charges, and may serve as a non-voting advisor to the committee at the discretion of the Board.

Whenever so charged, committees may actively seek input and participation by parents/guardians, staff, community, and students and may consult with local public boards and agencies.

Any committee not required by law may be dissolved when its duties or term has been completed or whenever the Board deems necessary.

Committee Meetings

Unless otherwise exempted by law, Board-created committees shall provide public notice of their meetings and conduct meetings in accordance with Government Code 54950-54963 (the Brown Act).

However, Board subcommittees composed solely of less than a quorum of the members of the Board are not subject to open meeting laws unless they are standing committees. Standing committees of the Board, irrespective of membership, are those that have a continuing subject matter jurisdiction or a meeting schedule established by action of the Board. (Government Code 54952)

Standing committees with a continuing subject matter jurisdiction include, but are not limited to, those responsible for providing advice on budgets, audits, Board policy, contracts, and personnel matters at the Board's request.

When a majority of the members of the Board attend an open and noticed meeting of a standing committee, the Board members who are not members of the standing committee shall attend only as observers. (Government Code 54952.2)

Whenever any advisory or standing committee, including a committee not otherwise subject to the Brown Act, posts a meeting agenda at least 72 hours in advance of the meeting, that meeting shall be considered as a regular meeting of the Board for purposes of the Brown Act and therefore must be held within district boundaries unless otherwise authorized by law. (Government Code 54954)

Committees may meet in a closed session during a regular or special meeting only for those purposes specifically authorized by law for closed sessions held by the Board.
